**DETAILED ACTION**

**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eric Snustad on June 22, 2006.

The application has been amended as follows:

In the claims:

Claim 8, line 5, delete "said" replace with --ending with an--.

Cancel claims 35-49

*Allowable Subject Matter*

2. Claims 1-5, 7-8, and 10-34 are allowed over the prior art of record. The following is an examiner's statement of reasons for allowance:

The closest prior art of record while generally teaching the layer structure does not teach or suggest the layer structure as presently claimed in combination with the blocker layers deposited as essentially pure niobium having a combined thickness of greater than 50 Å.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
